

### Pipe installation on Pyrmont Bridge Road in Annandale

The M4-M5 Link Tunnels project team will undertake night work to complete a water connection service on Pyrmont Bridge Road, Annandale.

#### What we're doing

The night work will be carried out on Thursday 2 February and Thursday 16 February 2023 between 8:00pm - 5:00am, weather and site permitting.

Due to the high volume of traffic during the day, this work will be done at night to ensure the safety of pedestrians, motorists and workers. Driveway access to all businesses and residences will be maintained during these works.

The work will involve:

- setting up a safe work area with site specific environmental controls
- traffic and pedestrian management to ensure the safety of motorists, residents and workers
- implementing lane closures on Pyrmont Bridge Road
- closing Bignell Lane (temporary closure)
- excavating the road
- testing and connecting the new section of pipeline installed in December
- connecting the new section of pipeline to the water main network
- re-instating the road.

Equipment required for this work includes, but is not limited to, generators, pumps, standpipes, hoses, excavator, tip truck, concrete saw, sucker truck, sweeper, light towers and light vehicles (including traffic control vehicles).

#### How this affects you

This work is expected to have some noise impacts on nearby residents and businesses and we are committed to minimising construction noise by:

- using non-tonal reversing beepers on all machinery
- turning off equipment and vehicles when not in use
- instructing workers to keep noise to a minimum.

#### When

Thursday 2 February and  
Thursday 16 February 2023

#### Hours of operation

Nightshift: 8:00pm - 5:00am

#### Where

Pyrmont Bridge Road,  
Annandale.

Notification No.MT404

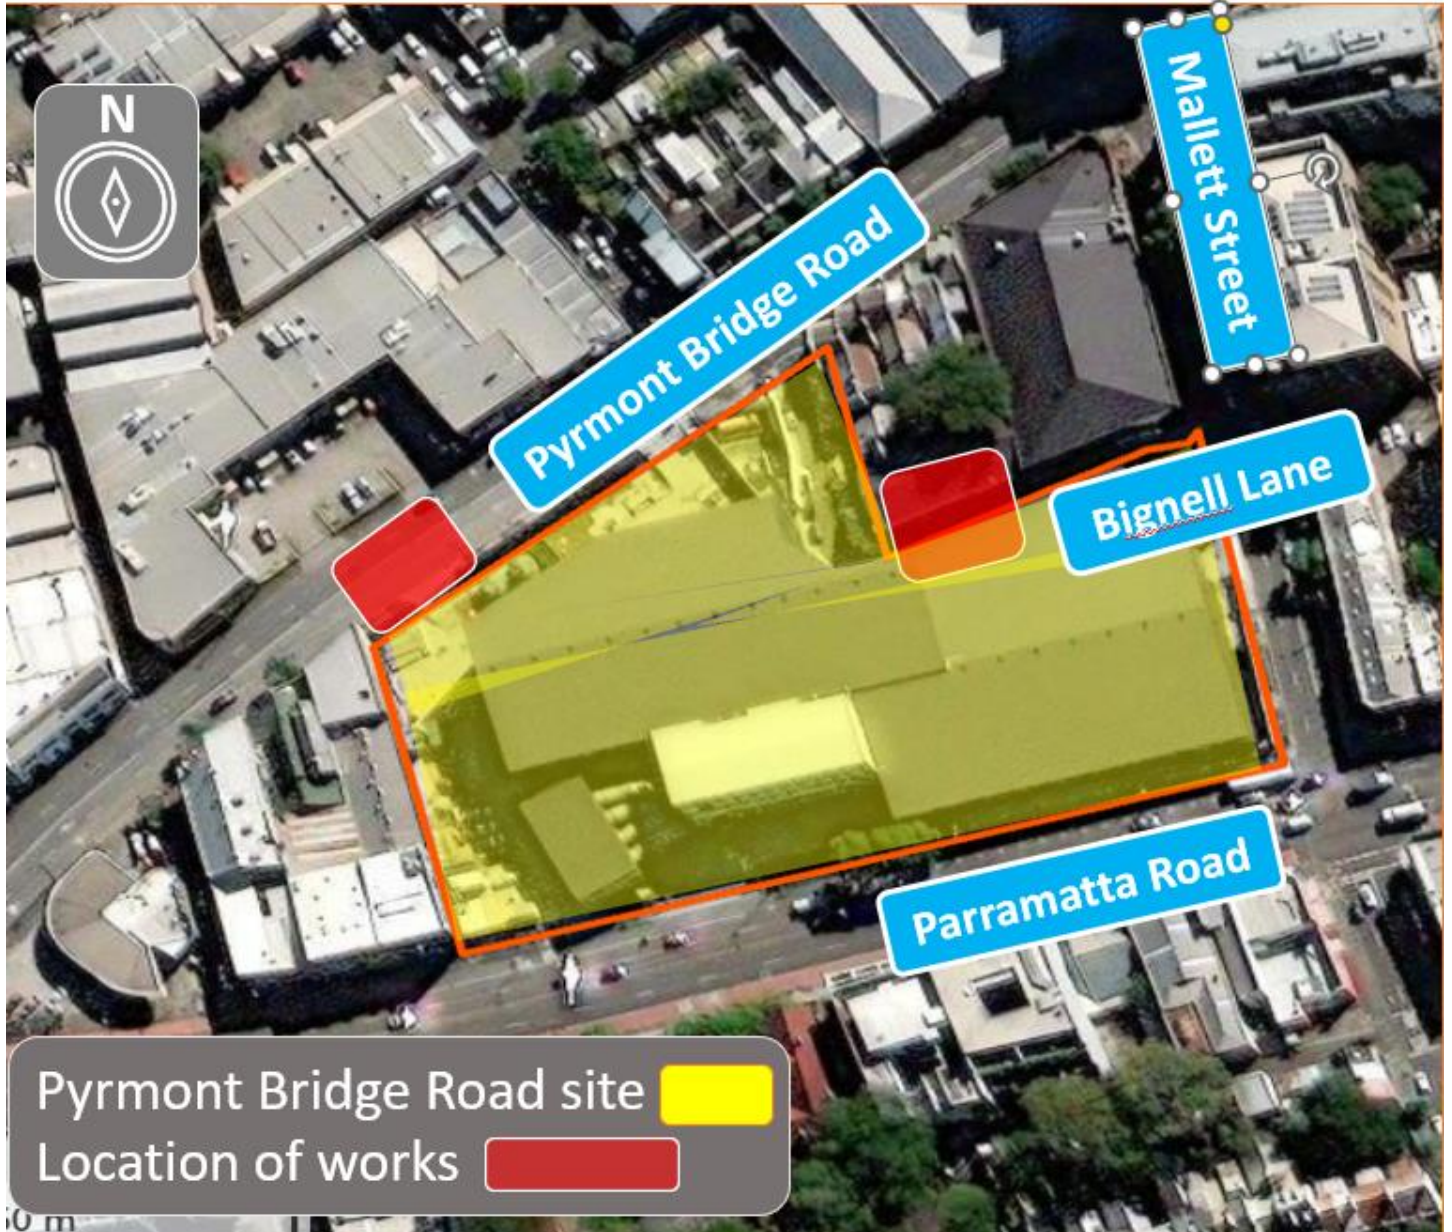

Constructed by

Temporary changes to traffic routes around the work site will be required. Traffic control and signage will be in place to assist motorists, pedestrians and cyclists through these changes.

If you have an enquiry or complaint or you want to provide feedback about this update, please contact the M4-M5 Link Tunnels Project team toll free on 1800 660 248, email [info@m4-m5linktunnels.com.au](mailto:info@m4-m5linktunnels.com.au) or write to PO Box 63, Mascot NSW 1460.
