Ground survey works in Ashfield

Work is underway on WestConnex, which involves widening and extending the M4 motorway, duplicating the M5 motorway and joining the M4 and M5 to create a free-flowing motorway network.

Planning continues for the proposed M4-M5 Link – the third stage of the WestConnex project linking the M4 at Haberfield to the M5 at St Peters via underground tunnels. For more information, visit westconnex.com.au/M4-M5Link.

Ground survey works will be carried out at a number of private properties on Parramatta Road from **Wednesday 1 November, 2017**. These works have been negotiated with the property owner. The work at this location is expected to four days to complete (weather and site conditions permitting).

Generally, work will take place **between 7.00 am and 6.00 pm from Monday to Friday**. There will be no work on weekends or public holidays.

Surveyors will be using portable survey equipment and will be packed up at the end of each day.

The works are non-audible, non-intrusive and external. Access to residential properties will be maintained at all times.

If you would like further information, please call 1800 660 248 and ask to speak with a member of the M4-M5 Link project team or email info@westconnex.com.au.
