

3 July 2017

Upcoming road closures, night work and utility installation – Campbell Street/Road, St Peters

Work is underway to widen Campbell Street and Campbell Road between Bedwin Road and Burrows Road. As part of this work, upcoming road closures and traffic changes are required to facilitate ongoing utilities installation within the project area.

Work activities

Part of the road widening involves upgrading and relocating multiple utilities including gas mains, power and communications cables. This work includes excavating, laying and welding a 250mm steel pipe along Campbell Street between May Street and Hutchinson Street. It will also include connecting and commissioning the new steel pipe into existing gas pipes in Campbell Street, Hutchinson Street and Brown Street.

Timing and work hours

Our working hours are generally between **7am and 6pm, Monday to Friday** and **8am and 1pm** on **Saturdays**. However, extended work hours are required on **Saturday 8 July and Saturday 15 July** between **7am and 6pm**.

Night work will be carried out on **Thursday 13 July** to relocate concrete barriers and adjust line marking. This work is expected to take **one shift** to complete, weather permitting. Working hours are between **8pm and 5am**.

Equipment used during the night work will include light vehicles, a franna crane, trucks, cherry picker, hand tools, lighting towers and traffic management. We will make every effort to minimise these impacts by directing noise-generating equipment and lights away from properties and minimising the use of reversing beepers where possible.

Traffic changes

To facilitate this work, changed traffic conditions will be in place on Campbell Street and surrounding streets in St Peters. Traffic control and signage are in place to assist local residents, road users, pedestrians and cyclists navigate through the changes. Access to local streets and properties will continue to be maintained under traffic control. The traffic changes are outlined in the below table.

Refer to the enclosed **Map A (Saturday 8 July)** and **Map B (Saturday 15 July)** for traffic detours.

Location	Date and time	Traffic management
Campbell Street between Unwins Bridge Road and Princes Highway	Saturday 8 July 7am to 6pm	<ul style="list-style-type: none"> • Full closure of Campbell Street • No entry into Campbell Street via Princes Highway, Unwins Bridge Road and Bedwin Road • Entry onto Campbell Street via May Street southbound for local residents and businesses on Brown, Hutchinson, Applebee and Lackey Streets only • Campbell Street businesses should enter and exit via Silver Street and Florence Street or via Victoria Street and Church Street
