Upcoming road closures and utility work – Princes Highway, Campbell Street and Campbell Road St Peters

Work is underway to widen Campbell Street and Campbell Road between Bedwin Road and Burrows Road. As part of this work, upcoming road closures and traffic changes are required to facilitate ongoing utilities installation within the project area.

Work activities

Part of the road widening involves upgrading and relocating multiple utilities including gas, water, power and communications cables. This work includes excavating and laying utilities services along Campbell Street and Campbell Road between Bedwin Road and Burrows Road. This work also includes connecting and commissioning these utilities services into existing ones in Campbell Street and Campbell Road and adjacent streets. In order to facilitate installation of the above utilities, trees along Campbell Road are required to be removed.

Timing and work hours

Our working hours are generally between **7am** and **6pm, Monday to Friday** and **8am and 1pm** on **Saturdays**. However, the below extended work hours are required:

- **Friday 21 July night work between 8pm to 5am.** This is to determine the configuration and location of existing services along the western footpath of the Princes Highway between Victoria Street and Campbell Street.
- **Saturday 22 July between 7am to 6pm**
- **Saturday 29 July between 7am to 6pm** (*Sunday 30 July -7am-6pm and Monday 31 July - 10am-2pm as contingency*)
- **Saturday 5 August, 7am – Sunday 6 August, 6pm.** This is to commission the gas pipe in Campbell Street between Princes Highway and Crown Street. No night work will occur Saturday 5 August, however, excavated areas are required to be left open for commissioning purposes. Security and traffic management will be on site during this time.
- **Saturday 12 August between 7am to 6pm**

Equipment used during the night work will include light vehicles, concrete saw/corer, tipper and vacuum trucks, hand tools, lighting towers and traffic management. Every effort will be made to minimise noise and light spill associated with this work by:

- Scheduling noisy work to take place early in the night where possible
- Turning off equipment and vehicles when not in use
- Using non-tonal reversing beepers on all machinery
- Directing noise generating equipment and lights away from residential properties where possible

Traffic changes

To facilitate this work, changed traffic conditions will be in place on Campbell Street and Campbell Road and surrounding streets in St Peters and Alexandria. Traffic control and signage will be in place to assist local residents, road users, pedestrians and cyclists navigate through the changes. Access to local streets and properties will continue to be maintained under traffic control. The traffic changes are outlined in the below table.

Refer to the enclosed map for traffic detours.

Notification No. 235
