

Night work and road closure on Euston Road, Alexandria

Night work will be undertaken on Euston Road near the intersection of Campbell Road to install concrete barriers for site establishment. This work is being undertaken at night with traffic management in place, for the safety of motorists, pedestrians, cyclists and workers and to limit traffic impacts during the day. A map showing the location of the work is provided overleaf.

Timing of work

Night work will be carried out on **Monday 16 October** between **8pm and 5am** and is expected to take one shift to complete, weather permitting.

The work will involve installing the concrete barriers along the southbound footpath and road between 166 Euston Road to 212 Euston Road. Equipment used during the work will include cranes, trucks, lighting towers, hand tools, forklift and construction vehicles.

Traffic changes

Full closure of Euston Road between Sydney Park Road and Campbell Road between 8pm and 5am. During this work there will be road closures on Euston Road, Campbell Road and Burrows Road except for emergency and local access. Signage and traffic control will be available to assist motorists during temporary traffic changes. **Euston Road businesses are encouraged to use Burrows Road property access if available.**

Night work and road closures on Burrows Road and Campbell Road, Alexandria

To prepare for the site establishment some trees will be removed on both sides of Burrows Road near the intersection of Campbell Road and on Campbell Road between Euston Road and Burrows Road. The trees being removed have been assessed by an accredited arborist and are recorded in a tree report published on the WestConnex website.

Timing of work

Three shifts of night work are required to complete the work: **Wednesday 18 October, Thursday 19 October and Friday 20 October** between **8pm and 5am**. This work will be conducted at night when traffic volumes are lower for the safety for workers, motorists and pedestrians and to minimise impact on traffic on the major thoroughfares and access to commercial / residential premises.

Traffic changes

| Location | Date and time | Traffic impacts and Pedestrian Access |
|---|--|---|
| Burrows Road between Canal Road and Campbell Road | Wednesday 18 October 8pm to 5am | <ul style="list-style-type: none"> • Full closure of Burrows Road from Canal Road to Campbell Road • No entry or exit into Burrows Road from Canal Road or Campbell Road, local access will be provided. • Campbell Road residents should enter via Princes Highway and Campbell Street and exit via Campbell Road to Princes Highway. |
| Campbell Road between Euston Road and Burrows Road | Thursday 19 & Friday 20 October 8pm to 5am | <ul style="list-style-type: none"> • Full closure of Campbell Road from Euston Road to Burrows Road • No entry or exit into Burrows Road from Campbell Road, pedestrian access will be provided. • Campbell Road residents should enter via Princes Highway and Campbell Street and exit via Campbell Road to Princes Highway. |

Traffic control and signage will be in place to assist road users, pedestrians and cyclists through the changes. If you are travelling through the area, please allow extra time for your journey and follow the signs and directions from traffic controllers.

Equipment used

Equipment to be used during this work will include tip truck, hand tools, chainsaw, cherry picker, light vehicles, lighting towers, power tools and excavators.

Minimising community impact

Every effort will be made to minimise noise and light spill associated with this work by:

- Scheduling noisy work to take place early in the night where possible
- Turning off equipment and vehicles when not in use
- Using non-tonal reversing beepers on all machinery
- Directing noise generating equipment and lights away from residential properties where possible
- Eco barriers will be in place to reduce noise.

Location of works Monday 16 October – Friday 20 October 8pm to 5am
