Night work and road closures – Bourke Road and Bourke Street near Gardeners Road, Mascot

As part of the WestConnex New M5 project, Bourke Road and Bourke Street will be upgraded to connect to the future St Peters Interchange at the former Alexandria Landfill.

To facilitate site establishment, night work will be carried out from **Wednesday 8 March** along Bourke Road and Bourke Street. A map showing the work areas is provided overleaf.

Night work is expected to take up to **three weeks** to complete, weather permitting. The night work will be carried out between **8pm and 5am from Monday to Saturday**.

The night work will involve installing concrete barriers, fencing, setting up a safe work area and traffic management. The barrier installation will be carried out progressively, starting with Bourke Road before moving to Bourke Street.

This work is required to be carried out at night to limit impacts to traffic during the day. Every effort will be made to minimise the impact of this work on nearby residents and businesses. Equipment to be used during this work will include cranes, excavators, trucks, light vehicles and lighting towers.

Traffic changes

Changed traffic conditions will be in place during this work, which will include reduced speed limits, footpath closures, detours and lane closures.

To facilitate the concrete barrier installation, road closures at night are required in the following locations:

- Bourke Road between Gardeners Road and Doody Street from Wednesday 8 March for approximately two weeks
- Bourke Street between Church Avenue and Gardeners Road, expected to start from Thursday 9 March for approximately two weeks.

A map showing the closure locations and detour routes is provided overleaf.

Traffic control and signage will be in place to guide motorists, pedestrians and cyclists safely during the work. If you are travelling through the area, please allow extra time for your journey and follow the signs and directions from traffic controllers.
