

**24 March 2017**

## **Construction compound – Camdenville Basin, St Peters**

To support the delivery of the New M5 and local road upgrades in St Peters, a construction compound will operate at Camdenville Basin.

The compound will be used for:

- site offices
- first aid room and workshop
- materials storage and laydown area
- car parks
- worker amenities.

Access to the compound will be from May Street via the existing driveway next to Camdenville Oval. A map showing the location is provided overleaf.

The compound is temporary and the land will be handed back to Inner West Council in late 2019.

### **Work hours and timing**

Work to establish the site compound has started. Working hours are from **7am to 6pm, Monday to Friday** and **8am to 1pm on Saturdays**.

The facility will generally be operated during the day. Intermittent access to the compound may be required out of hours and every effort will be made to minimise any disturbance to nearby residents.

### **Minimising impact to the community**

Measures will be in place to reduce impacts during operation of the compound, including:

- sealing the compound area and driveway to minimise dust
- limiting certain activities to standard construction hours (7am to 6pm, Monday to Friday and 8am to 1pm on Saturdays), including heavy vehicle movements, reversing alarms and generators
- installing secure fencing around the compound to ensure the safety of the community and our workers.

If you would like further information, please call 1800 660 248 and ask to speak to a member of the New M5 community engagement team or email [info@newm5.com.au](mailto:info@newm5.com.au).
