

24 January 2017

## Night work update – M4 Motorway, Homebush

Further to our notification (N137) on 22 November 2016, night work continues on the M4 Motorway, Homebush.

Work will commence from **Sunday, 29 January 2017**. A map showing the work area is provided overleaf.

This work will take place **between 10.00 pm and 5.30 am** to reduce impacts on road users and ensure the safety of workers and motorists. If the work cannot be completed during this period, it will be rescheduled.

This work is expected to take **two months to complete**, weather permitting, and will include:

- pavement widening
- removing existing median barriers
- installing and pinning temporary barriers
- line marking.

**Temporary closures of the M4 Motorway will be in place during this night work.** Please allow extra travel time and follow the signage and the direction of traffic controllers.

Equipment used throughout the work will include excavators, cranes, light vehicles, traffic control, generators, lighting towers, power drills, telehandlers, trucks and street sweepers.

There may be some noise associated with this work, however every effort will be made to minimise the impact of work, including by using non-tonal reversing beepers on all machinery, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences.

If you have a complaint or enquiry about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).

Notification reference: N137a

### ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
