

Tunnelling update - Haberfield and Ashfield

Following the completion of major tunnel excavation, associated tunnelling works are now underway in both directions from the Northcote Street construction site.

In accordance with the conditions set out by the project's Environmental Protection Licence, tunnelling activities will occur 24 hours per day, seven days per week.

What we're doing

Activities currently being completed from the Northcote tunnel site include; drainage installation, paving and the Mechanical & Electrical (M&E) fit out of the tunnels.

A map showing the location of current work underway is provided overleaf.

How this affects you

These underground activities are not expected to be high impact.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
