

Ongoing construction work - Parramatta Road Vent Facility, Haberfield

Further to notifications N164 and N164a, work will continue on the Parramatta Road Vent Facility (PRVF). The PRVF is located within the Wattle Street Construction Site. A map of the work area is provided overleaf.

Once completed, the PRVF will provide tunnel ventilation for the M4 East Project and future M4-M5 Link.

Timing and work hours

This work is scheduled to commence from Saturday, 19 August 2017 and is expected to take up to **six weeks** to complete, weather permitting.

The majority of work has been scheduled to take place between **7.00 am and 6.00 pm Monday to Friday and 8.00 am and 1.00 pm on Saturday**. Non-noisy work has been scheduled to take place between **7.00 pm and 6.00 am Monday to Friday**.

Some excavation activities will continue in extended hours between **8.00 am and 5.00 pm Saturday and 9.00 am and 5.00 pm Sunday**. Work within the extended hours is expected to take **four weeks** to complete (pending required approvals).

Work activities

The work will include:

- earthworks, including excavation and rock breaking of the final wall
- concrete work, including steel fixing and shotcreting
- drilling and installation of rock bolts and soil nails
- spoil removal
- demobilising plant and equipment from the excavation.

Equipment used during standard construction hours will include excavators, trucks, cranes, concrete trucks, concrete saws, rock bolt machine, hand tools, generator, and lighting equipment.

The following work will occur within the extended hours:

- earthworks, including excavation and rock breaking
- tower crane maintenance (20 minutes per weekend).

Equipment used during the extended hours will include two excavators (plus one support excavator), hand tools, generator and lighting equipment.

Minimising impact

There will be some noise and vibration associated with this work. Noise and vibration specialists have conservatively predicted a mid-range noise reading at the nearest sensitive receiver during this work. Noise and vibration monitoring will be undertaken throughout the work to ensure compliance with project approvals. Every effort will be made to minimise the impact of work, including turning off equipment and vehicles when not in use and directing noisy equipment away from residences wherever possible.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au

Notification reference: N164b

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
