

Temporary road closure – Orpington Street, Ashfield

Work is underway on WestConnex which involves widening and extending the M4 and M5 and joining them to create a free-flowing motorway network.

From **Sunday, 30 April 2017**, Orpington Street at the intersection of Parramatta Road (westbound) will be temporarily closed for **six months**. The closure is required to identify, relocate and construct utility services and the construction of pavement for the new Parramatta Road westbound. **The road will be closed from 9.00 pm Sunday, 30 April 2017.** A map showing the location of the road closure, bus stop relocations and traffic detours is provided overleaf.

Establishing the road closure will require two shifts between **9.00 pm and 5.00 am on Sunday, 30 April 2017 and Monday, 1 May 2017** to complete. From Tuesday, 2 May 2017 work will take place between **7.00 am and 6.00 pm Monday to Friday** and **8.00 am and 1.00 pm on Saturday**. Residents will be notified separately if work is required outside of these times. This road closure is to minimise the amount of out of hours work in this location.

The work will involve:

- Establishing the closure of Orpington Street at the Parramatta Road (westbound) intersection with concrete barriers, relocating the bus stop, installing temporary fencing and traffic control
- identify and relocate utility services
- constructing new pavement and line marking.

Equipment used during the work will include a franna crane, excavators, vacuum trucks, concrete saws, a compactor plate, and hand tools.

The existing bus stops on Orpington Street between Parramatta Road and Pembroke Street will be temporarily closed during the work. The existing bus stop on Parramatta Road westbound near the intersection of Orpington Street will be permanently closed. A temporary bus stop will be set up on Parramatta Road (westbound) between Dalhousie Street and Orpington Street. Please refer to the map overleaf.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Motorists are asked to follow the Variable Message Signs (VMS). Access to properties will be maintained at all times, however please allow a short amount of time for traffic control to provide access. Pedestrian and cyclist access will be via alternative signed pathways. If you travel along the work route, please allow extra travel time and follow the direction of traffic controllers.

There will be some noise associated with this work, however every effort will be made to minimise the impact of work, including by using non-tonal reversing beepers on all machinery, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

Notification reference: N196

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
