

Service investigation – Dalhousie Street, Haberfield

From **Monday 4 September 2017**, the New M4 Project will commence service location and investigation work to help inform the design of proposed traffic signage on Dalhousie Street, Haberfield. A map showing the location of the work is provided overleaf.

Community consultation for the proposed signage closed on Wednesday, 2 August 2017. Following this, all feedback received was collated and provided to the relevant government authorities for consideration. Following an evaluation of the feedback received, the size and overall look of the signs is being reviewed. This service investigation work is required to finalise the design of the proposed signage. Community notification will be provided once the design is finalised.

Timing and work hours

To minimise the impact to residents, work has been scheduled to take place between **7.00 am and 6.00 pm Monday to Friday**. You will be notified if work is required outside of these times.

Please note that for this work to be safely undertaken, parking will be temporarily limited around the work sites.

Work activities

This work will take approximately **eight shifts** to complete, and will involve:

- setting up traffic control and establishing temporary work sites
- locating services using a non-destructive digging method (NDD)
- temporary restoration work, prior to permanent restoration in consultation with Inner West Council.

Equipment used throughout the work will include vacuum trucks, a concrete saw, compactor plates, small tipper trucks, and hand tools.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the direction of traffic controllers and signage.

Minimising impacts

There will be some noise associated with this work, every effort will be made to minimise the impact of work, including turning off equipment and vehicles when not in use and, where possible directing noisy equipment away from residences.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
