

## Changes to the pedestrian footbridge – Parramatta Road, Ashfield

From **Sunday, 24 September 2017** work will commence to finalise the realignment of the stairs on the western side of the pedestrian footbridge on Parramatta Road near Bland Street, Ashfield. After opening the new stairs to the public, the old stairs will be demolished. A map of the work area is provided overleaf.

To facilitate the realignment of Parramatta Road and the construction of the New M4 tunnel portals, the stairs on western side of the pedestrian footbridge have been replaced with new stairs that will connect with Bland Street.

### Timing and work hours

Night work will take place between **9.00 pm and 5.00 am Sunday to Friday**.

### Work activities

The work expected to take **up to two weeks** to complete will include:

- switching pedestrians onto the new stairs

- removal of the temporary scaffold.

Equipment used for this work will include a mobile crane, excavators and hand tools.

Pedestrian diversions will be in place while the staircase is installed, however access to the footbridge will be maintained throughout the work. Please follow the signage and the direction of traffic controllers.

### Minimising impact

There will be some noise and vibration associated with this work. Every effort will be made to minimise the impact of work, including turning off equipment and vehicles when not in use, and directing noisy equipment away from residences wherever possible.
