

16 February 2018

Intelligent Transport System installation – Parramatta Road, North Strathfield

Further to notification N259a, installation of Intelligent Transport System (ITS) infrastructure and closed-circuit television (CCTV) will continue along Parramatta Road, Homebush. Once installed, this will assist motorists to safely and efficiently navigate new and upgraded connections to the M4 East tunnels. A map showing the location of the work is provided overleaf.

Timing and work hours

This work will continue from **Wednesday, 21 February 2018** and is expected to take up to **ten shifts** to complete, weather permitting. Work requiring road or lane closures will occur between **9.00 pm and 5.00 am Sunday to Friday**.

We will re-notify you if we are unable to complete the work during this period or if there are any major changes.

Work activities include:

- installing temporary barriers
- standing and installing Variable Message Signage
- installation of CCTV posts with cameras
- installation of Over-Height Detector post with instruments
- installation of ITS gantries and cabinets
- pulling of cable
- temporary remediation, prior to permanent restoration.

Equipment used will include a flatbed truck, franna crane, excavator, tipper truck, rattle gun, elevated work platform (EWP), lighting equipment, hand tools and construction vehicles.

Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this including using non-tonal reversing beepers on all machinery, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

Traffic changes

Partial road closures are required for this work. Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the work route, please allow extra travel time and follow the signage and the direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
