

CCTV work - Crane Avenue and Dobroyd Parade, Haberfield

On Wednesday, 4 July 2018 work will commence to prepare for the installation of a Closed Circuit Television (CCTV) on Dobroyd Parade, Haberfield. A map showing the location of the work is provided overleaf.

If work cannot be completed during this time, it will be rescheduled and you will be notified.

What we're doing

This work will continue for four weeks and will involve:

- using a vacuum truck to locate existing utility services
- installing new utility services to link up to the future CCTV
- pouring concrete for foundations.

Equipment used during the work will include hand tools, a piling rig, an excavator, compactors, an electronic lifting platform, a franna crane, small trucks, lighting towers, generators and vacuum trucks.

How this affects you

There will be some noise associated with this work and every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Parking may be restricted in the vicinity of the work. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
