

## Ongoing construction work - Haberfield

From **Wednesday, 3 January 2018** work will continue along Wattle Street and Dobroyd Parade, Haberfield. A map showing the location of work, as well as road closures is provided overleaf.

This work will include the temporary closure of Ash Lane between Northcote Street and Wattle Street.

### Timing and work hours

This work will continue for approximately **three months**, weather and ground conditions permitting. Where possible, work has been scheduled to take place **between 7.00 am and 6.00 pm Monday to Friday and 8.00 am and 1.00 pm on Saturday**. Work requiring road or lane closures will occur between **9.00 pm and 5.00 am Sunday to Friday**.

If the work is unable to be completed during this period, it will be rescheduled and residents will be renotified.

### Work activities

This will involve:

- road work including the installation of traffic barriers, signage, line marking and asphalt;
- pavement work including footpaths and driveways;
- drainage installation, followed by kerb, pavement and driveway work;
- other utility work including investigation and installation.

Equipment used during the work will include excavators, vacuum trucks, concrete saws, cranes, trucks, compactors, road line markers, graders, asphalt laying plant, small tools, hand tools and lighting equipment.

The approved Traffic and Access Management Plan (TAMP) for this work permits vehicles to access Wattle Street via Northcote Street and Ash Lane.

### Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this by using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

### Traffic changes

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Parking will be restricted in the vicinity of the work. Pedestrian access along Ramsay Street between Walker Avenue and Wattle Street will be relocated to the western side of Ramsay Street. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).

Notification reference: N285

### ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
