

Temporary road closure - Ormond Street, Ashfield

From 9.00 pm Sunday, 22 April 2018, Ormond Street will be temporarily closed at the intersection of Parramatta Road for 14 weeks in order to complete the installation of utility services required for the new Parramatta Road Interchange.

A map showing the location of the road closure and associated work locations is provided overleaf. Please note that pedestrian access outside Ashfield Park is not affected during the road closure.

What we're doing

The work will involve:

- establishing the closure of Ormond Street at the Parramatta Road intersection with concrete barriers, installing temporary fencing and traffic control;
- underboring work (underground work), including excavating retrieval pits;
- identifying, relocating and installing utility services.

Equipment used during the work will include a franna crane, excavators, vacuum trucks, concrete saws, boring machines and hand tools.

How this affects you

During this closure, motorists will not be able to turn onto Parramatta Rd from Ormond Street or into Ormond Street from Parramatta Road. Motorists can access Ormond Street via Parramatta Road, Orpington Street and Pembroke Street.

There will be some noise associated with this work and every effort will be made to minimise this including by turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Motorists are asked to follow the direction of traffic control and signage.
