

Changed traffic conditions - Parramatta Road Civil Site

From Monday, 12 March 2018, work to realign Parramatta Road westbound, between Dalhousie Street and Bland Street, will commence. This work is part of the traffic switch which will move the current westbound traffic onto the top of the newly constructed cut and cover. A map showing the changed traffic conditions and work areas is provided overleaf.

Please note that there will be lane closures on Parramatta Road (westbound) during the night work and the speed on Parramatta Road will be reduced from 60 km per hour to 40 km per hour. The newly aligned Parramatta Road westbound is scheduled to open to traffic from mid-late March 2018.

What we're doing

This work will involve:

- installing crash cushions, as well as water filled and concrete barriers
- placement of asphalt
- temporary line marking and placement of directional markers
- reconfiguring of traffic signals
- installation of temporary directional signage.

Equipment used will include vacuum trucks, line marking removal trucks, cranes, millers, pavers, drum rollers, excavators, compactor plates, trucks, hand tools and lighting equipment.

How this affects you

The eastbound bus stop on Parramatta Road at Chandos Street will be temporarily closed. The closest alternative is Parramatta Rd near Yasmar Training Facility, approx. 130m to the east. The eastbound bus stop on Parramatta Road near Dalhousie Street will be temporarily relocated approx. 20m to the west, towards Rogers Avenue.

There will be some noise associated with this work and every effort will be made to minimise this including using non-tonal reversing beepers on all machinery, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers. If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

When

Mon, 12 March

Hours of operation

- 7am to 6pm Mon to Fri
- 8am to 1pm on Sat
- 9pm to 5am for night work

Where

Parramatta Road, westbound and eastbound.
