

## Electrical work – Parramatta Road, Haberfield

From **Tuesday, 20 February 2018** work will commence to relocate existing overhead electrical cables underground. A map showing the location of the preparatory work is provided overleaf.

This work is in preparation for the installation of a new Variable Messaging Sign (VMS), which is scheduled to occur in mid-2018. The future sign will provide road users with up-to-date information on traffic conditions, planned and unplanned incidents, and events.

### Timing and work hours

This work will take approximately **nine shifts** to complete, weather permitting. Due to road or lane closure requirements, work will occur between **9.00 pm and 5.00 am Sunday to Friday**.

If the work cannot be completed during this period, it will be rescheduled and you will be notified.

### Work activities

This work will involve:

- relocating existing overhead electrical cables
- opening trenches within the ground
- installing electrical cables below ground.

Equipment used during the work will include vacuum trucks, cranes, small trucks, compactors, electronic lifting platforms, small tools, hand tools and lighting equipment.

### Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this by using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

### Traffic changes

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Parking may be restricted in the vicinity of the work. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

In an effort to minimise additional impacts experienced as a result of unexpected construction delays, we provide residents with weekly email updates about upcoming out-of-hours work in the area. If you would like to receive updates about out-of-hours work near your property, please email our team at [info@m4east.com.au](mailto:info@m4east.com.au) and ask to subscribe to the mailing list.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).

Notification reference: N310

#### ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
