

Signage preparation work - Dalhousie Street, Haberfield

From Wednesday, 8 August 2018 work will continue to prepare for the installation an Advance Warning Sign (AWS) on Dalhousie Street, Haberfield. A map showing the location of the work is provided overleaf.

The AWS is a directional sign which will assist motorists navigate the new interchange.

Please note that parking will be limited in the vicinity of the work site. This will ensure that work can be carried out during the day.

What we're doing

Work will involve:

- service locating around the installation area;
- installing foundations and footings for the structures.

Equipment used during the work will include a truck mounted piling rig, franna crane, rattle guns, trucks, concrete trucks, excavators, vacuum trucks, concrete saws and hand tools.

How this affects you

There will be some noise associated with this work and every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the direction of traffic controllers and signage.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
