

Cycleway Construction, Sydney Olympic Park

From Monday 4 June 2018, construction will commence on the cycleway at Sydney Olympic Park near Rod Laver Drive. The work is expected to take four months to complete, weather permitting. Stakeholders will be notified as work progresses.

A map showing the location of the work is provided overleaf.

What we're doing

This work will involve:

- Traffic management
- Tree and vegetation clearing
- Potholing and service investigation
- Laying the cycleway foundation
- Fencing adjustments
- Installation of signage

Equipment used during the work will include excavators, franna crane, concrete saws, paving equipment, rollers, jack hammers, concrete trucks, elevated work platforms, trucks, compactors, site vehicles, small tools, hand tools and lighting equipment.

How this affects you

There will be some noise associated with this work and every effort will be made to minimise this by using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences. All sites will be restored to their previous condition.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
