

Rescheduled work: Day/night and weekend work on Euston Road between Sydney Park Road and Maddox Street Alexandria

Work has recently been completed to install a new water main the length of Euston Road between Campbell Road and Maddox Street. Commissioning of this new water main at five out of seven locations along Euston Road has been completed. Commissioning of the new water main in the final two locations will take place from **10am on Friday 21 September to 3pm on Saturday 22 September**. This work was originally scheduled to take place on Friday 24 August and Saturday 25 August and was postponed.

Planned Sydney Water service outages will take place in connection with this work. Two water service outages will take place on Friday 21 September from 8am to 12pm and from 8pm to 12am. Sydney Water customers may be affected by one, or both, of the service outages. Sydney Water will notify affected residents and businesses.

What we're doing

We are commissioning the newly installed water main at two locations on Euston Road between Sydney Park Road and Maddox Street from 10am on Friday 21 September to 3pm on Saturday 22 September.

This work will involve excavating the road pavement, cutting the existing Sydney Water assets and connecting to the newly installed water main.

A map showing the location of work and associated traffic changes is provided overleaf.

Traffic changes

- Friday 21 September 10am to 8pm - Road Closure**

A road closure will be in place for northbound traffic on Euston Road between Sydney Park Road and Maddox Street. Detours will be in place via Huntley Street eastbound, Bourke Road northbound and Maddox Street westbound

Temporary bus service changes – Friday 21 September 10am to 8pm

Transport NSW bus route #370 (Leichhardt Marketplace to Coogee) will be impacted by the road closure in place for northbound traffic on Euston Road between Sydney Park Road and Maddox Street.

A detour will be in place via Huntley Street eastbound, Bourke Road northbound and Maddox Street westbound.

BUILDING OUR FUTURE

Constructed by

- **8pm on Friday 21 September to 3pm on Saturday 22 September - Lane Closures**

Lane closures will be in place on Euston Road between Sydney Park Road and Maddox Street. One lane of traffic will be maintained in each direction. Please expect delays in the area.

Pedestrians access will be maintained on the eastern side of Euston Road between Sydney Park Road and Maddox Street. Traffic control, signage and reduced speed limits will be in place to assist residents and road users.

Other work at Sydney Park Roundabout:

Night work is scheduled to take place at Sydney Park Roundabout on Wednesday 19 September, Thursday 20 September and Friday 21 September from 8pm to 5am. Some of this work will take place at the same time as the Sydney Water commissioning work on Euston Road on Friday night, 21 September. Further details of this work can be found in community notification N.495 - Night/weekend work and traffic changes at Sydney Park Roundabout Alexandria between Wednesday 12 September and Friday 28 September.

All community notifications can be found online at <https://www.westconnex.com.au/projects/new-m5> under 'Local updates'

Minimising impact on residents

Equipment used during the work will include lighting towers, hand tools, vacuum truck, excavator, trucks, saw cutter, generators, traffic management and construction vehicles. The work is expected to create noise. Every effort will be made to further minimise noise and light spill associated with this work by:

- Scheduling noisy work to take place early in the night where possible
- Installing noise blankets around the work site
- Turning off equipment and vehicles when not in use
- Using non-tonal reversing beepers on all machinery
- Directing noise generating equipment and lights from residential properties where possible
