

New start date: Intelligent Transport System installation and related temporary parking removal on Barwon Park Road St Peters

Work to install Intelligent Transport System (ITS) infrastructure along the eastern (Sydney Park) side of Barwon Park Road was previously scheduled to take place in August and September 2018.

Following service investigation work in early August, this work was postponed. This work is now scheduled to take place from Wednesday 3 October to Friday 9 November.

The ITS infrastructure will support new Closed Circuit Television (CCTV) to be installed at the Princes Highway and Campbell Street/Road intersections to monitor traffic and provide updated traffic information to local Variable Message Signs (VMS) to be installed.

Temporary parking restrictions will be in place on the eastern (Sydney Park) side of Barwon Park Road throughout this work to install the new ITS infrastructure. The work is expected to take around 5 weeks to complete, weather permitting. Residents and businesses will be notified as work progresses. Please see the map overleaf to better explain the location of this work.

Intelligent Transport System (ITS) infrastructure is being installed along the Sydney Park side of Barwon Park Road rather than the western side to not impact residential and businesses driveway access.

What we're doing?

This work will involve:

- trenching of the footpath
- utilities investigation and installation (including cable pulling)
- ITS installation
- signage installation
- reinstatement of footpath

How this affects you

Temporary parking restrictions will be put in place from Wednesday 3 October along the eastern (Sydney Park) side of Barwon Park Road. On-street parking will be temporarily restricted in sections as the work areas move progressively along Barwon Park Road. All of the on-street parking spaces along the eastern side will not be removed at the same time.

When

ITS installation work:
Wednesday 3 October to
Friday 9 November approx.

This work is scheduled to take place during standard construction hours:
Mon to Fri, 7am to 6pm
Sat, 8am to 1pm

BUILDING OUR FUTURE

Constructed by

While the underbore ITS installation is underway, from Wednesday 3 October to Friday 9 November, there may be up to 20 on-street parking spaces temporarily occupied at one time along the eastern side of Barwon Park Road.

Pedestrian access will be maintained along Barwon Park Road. At times, pedestrians may be detoured around work areas or to the other side of the road.

Intelligent Transport System installation and temporary parking removal on Barwon Park Road, St Peters from Wednesday 3 October to Friday 9 November, weather permitting.
