

Traffic signage installation – Strathfield and North Strathfield

Further to notification (N242b), from **Monday, 8 January 2018** work continues in Strathfield and North Strathfield to install new Intelligent Transport System (ITS) and a Closed-Circuit Television (CCTV) camera network. A map showing the location of the work is provided overleaf.

Timing and work hours

This work will take approximately **three months to complete**, weather permitting.

Work will take place **between 7.00 am and 6.00 pm Monday to Friday and 8.00 am and 1.00 pm on Saturday**, where possible. Work requiring a road or lane closure will occur between **9.00 pm and 5.00 am Sunday to Friday**. Please note, if this work cannot be completed during this period, it will be rescheduled and the community will be notified.

Work activities

This work will include:

- potholing to locate utility services
- excavation with piling rig
- concrete works
- installing service conduits and pits
- installing steel reinforcement and sign structures
- cable pulling
- installing CCTV camera
- temporary remediation work prior to permanent restoration.

Equipment used during the work will include: excavators, piling rig, plate compactor, trucks, franna crane, concrete saws, concrete trucks, vacuum truck, light equipment, mobile crane, elevated work platform (EWP), flatbed truck, rattle gun and small hand tools.

Minimising impact

There will be some noise associated with this work and every effort will be made to keep it to a minimum including turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

Traffic changes

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Parking will be restricted in the vicinity of the works. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
