

Road realignment work – Underwood Road, Homebush

From Monday 17 December 2018, work will continue to realign Underwood Road, Homebush. A map showing the location of the work is provided overleaf.

Due to adverse weather delays, this work is expected to take one month to complete, weather permitting.

What we're doing

This work will involve:

- concrete work to place footpaths, driveways, kerb and gutters
- landscaping and fencing

Equipment used during the work will include small power tools, hand tools, concrete and road saws, franna crane, mobile crane, concrete pumps, lighting equipment, elevated work platforms, generators, trucks and excavators with hammer attachments.

How this affects you

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please follow the signage and direction of traffic controllers. Access to driveways will be maintained.

There will be some noise associated with this work. Every effort will be made to minimise this impact including by turning off equipment and vehicles when not in use and directing noisy equipment away from residences where possible.

If you have an enquiry or complaint about this work please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
