

Cul-de-sac reinstatement - Short Street east, Homebush

From Friday, 4 May 2018, work will continue along Short Street east, Homebush to facilitate the reinstatement of the cul-de-sac. This work will take approximately four weeks to complete, weather permitting.

A map showing the location of the work is provided overleaf.

What we're doing

The work will involve:

- reinstating the kerb and gutter
- milling and relaying asphalt
- landscaping.

Equipment used will include trucks, excavator with attachments, franna crane, electric saw, elevated work platform, hand tools, road profiler, asphalt paver and lighting equipment.

How this affects you

There will be footpath closures associated with this work. Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Should access to driveways be affected, residents will be notified of this beforehand. If you travel along the work route, please allow extra travel time and follow the signage and direction of traffic controllers.

There will be some noise associated with this work and every effort will be made to minimise this including by turning off equipment and vehicles when not in use and directing noisy equipment away from residences where possible.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
