

Temporary road closure - Ramsay Street, Haberfield

To facilitate the installation of stormwater drainage for the future Wattle Street Interchange, Ramsay Street will be closed at the Wattle Street intersection, Haberfield from 10:00pm Friday 23 March to 5:00am Monday 26 March. There will be no through access from Ramsay Street across the intersection during this time.

A map showing the location of work is provided overleaf. Additional closures are anticipated and residents will be notified.

What we're doing

Pending approval, this work will involve:

- removing temporary traffic signage, line marking and barriers;
- excavating the drainage trench and removing existing, redundant utility services;
- backfilling and restoring the road surface.

Equipment used during the work will include franna cranes, trucks, plate compactor, roller, paver, vacuum trucks, hammers, concrete saws, excavators, lighting towers, generators, trucks, concrete agitators, line marking trucks and hand tools.

How this affects you

Drivers travelling north on Ramsay Street will be detoured via Dalhousie Street, Parramatta Road, Great North Road. Drivers travelling south on Ramsay Street will be detoured via Wattle Street, Waratah Street and Alt Street. Drivers can still turn left from Ramsay Street into Wattle Street and left from Wattle Street onto Ramsay Street.

Bus detours will be in place for routes 438, 439, L38 and L39. A map showing the bus diversions and the road closure is provided overleaf. Pedestrian access will be maintained on the western side of the Ramsay Street intersection.

There will be some noise associated with this work and every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.
