

Road widening - Concord Road, Concord

From Thursday 4 April 2019, work will continue to facilitate the widening of Concord Road, Concord. Residents will be updated monthly about the progress of the work. A map showing the location of the work is provided overleaf.

What we're doing

The work will involve:

- Utility service investigation and installation (including drainage)
- Installing traffic barriers and signage
- Installing new fencing, footpaths, pavements, gutters and guard rails
- Modifying and installing new traffic signals and street lighting (where required)
- Installing intelligent transport system infrastructure
- Concrete work
- Painting
- Vegetation trimming, clearing and landscaping
- Mobilising and demobilising mobile cranes
- Bridge works
- Moving barriers

Equipment used will include sweeper, delivery trailer, light vehicles, smooth drum roller, bob cat, telehandler, concrete boom pumps, vibrating plate compactors, hammer drills, concrete trucks, piling rig, milling/asphalt equipment, landscaping rockslinger, concrete vibration equipment, excavators, piling rig, vacuum trucks, concrete saws, core drills, rollers, cranes, trucks, compactors, concrete trucks, EWPS, small tools, hand tools and lighting equipment.

How this affects you

Pedestrian detours are in place along Sydney Street (between Thornleigh Avenue and Concord Road) and Concord Road (southbound between Patterson Street and the M4 Motorway) and (northbound between Patterson Street and Parramatta Road). Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Access to driveways will be maintained. If you travel along the work route, please allow extra travel time and follow the signage and direction of traffic controllers.
