

VMS foundation work - Parramatta Road, Haberfield

Further to N333 from Wednesday, 16 May 2018 work will commence to prepare for the installation of an electronic variable message sign (VMS) on Parramatta Road, Haberfield.

The sign will provide road users with up-to-date information on traffic conditions and planned and unplanned incidents and events. A map showing the location of the work is provided overleaf.

This work will take four weeks to complete. If the work cannot be completed during this time, it will be rescheduled and you will be notified.

What we're doing

This work will continue for four weeks and will involve:

- excavating, piling and pouring the foundations for the VMS structure.

Equipment used during the work will include: concrete saws (before midnight only), vacuum trucks, a franna crane, lighting equipment, excavators, trucks, concrete agitators, a truck mounted piling rig and hand tools.

How this affects you

There will be some noise associated with this work. Every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

Traffic control and pedestrian management will be in place to ensure the safety of pedestrians, motorists, residents and workers. Parking will be restricted near the work.

When

16 May to 16 June 2018

Hours of operation

- 7am to 6pm Mon to Fri
- 8am to 1pm Sat
- 9pm to 5am Sun to Mon

Where

Parramatta Road,
Haberfield.
