

Temporary road closures - Ramsay Street, Haberfield

In addition to the recent closures of Ramsay Street, the same intersection will again be closed from Friday, 22 to Monday, 25 June 2018. This third closure is to complete the installation of structural pavement and drainage for this section of the future Wattle Street Interchange. There will be no through access from Ramsay Street across the intersection during this time.

A map showing the location of work, bus and traffic detours is provided overleaf. Additional closures are anticipated and residents will be notified.

What we're doing

This work will involve:

- removing temporary traffic signage, line marking and barriers;
- removing temporary pavement layer and installing a precast structural slab;
- installing edge drains;
- backfilling and restoring the road and pavement surfaces.

Equipment used during the work will include franna cranes, asphalt trucks, plate compactor, roller, paver, vacuum trucks, hammers, concrete saws, excavators, lighting towers, generators, trucks, concrete agitators, line marking trucks and hand tools.

How this affects you

Drivers travelling north on Ramsay Street will be detoured via Dalhousie Street, Parramatta Road, Great North Road. Drivers travelling south on Ramsay Street will be detoured via Wattle Street, Waratah Street and Alt Street. Drivers can still turn left from Ramsay Street into Wattle Street and left from Wattle Street onto Ramsay Street.

Bus detours will be in place for routes 438, L39, L38 and 439. A map showing the bus diversions and the road closure is provided overleaf. Pedestrian access will be maintained on the western side of the Ramsay Street intersection.

If you have mobility restraints and are unable to access an open bus stop during these detours please contact the M4 East team via the details below.
