

ITS Work - Waratah Street, Haberfield

From Tuesday, 16 October 2018 work will commence to remediate the footpaths affected by construction activities on Waratah Street, Haberfield. Work to install the remaining Over Height Detector (OHD) will occur at a later date, and you will be notified.

A map showing the location of the work is provided overleaf. Please note that parking will be limited in the vicinity of the work site.

What we're doing

Work will involve:

- Permanent restoration of the footpath between Alt Street and Dobroyd Parade.

Equipment used during the work will include concrete saws, jack hammers, concrete trucks, excavators, vacuum trucks, and hand tools.

How this affects you

There will be some noise associated with this work. Every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Parking may be limited in the vicinity of the work site. If you travel along the route, please allow extra travel time and follow the direction of traffic controllers and signage.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
