

## Road and footpath restoration - North Strathfield

From Tuesday 12 February 2019, sections of Carrington Street, North Strathfield will continue with concreting work near Concord Road to facilitate the construction of new footpaths, kerbs, gutters and roads.

The work is expected to take four weeks to complete, weather depending. A map showing the location of the work is provided overleaf.

### What we're doing

The work will involve:

- Concreting works including: footpaths, kerb and gutter, roads, etc

Equipment used will include: sweeper, float-trailer, light vehicles, smooth drum roller, multi wheel roller, bob cat, excavator, vibrating compactor plate, concrete trucks and concrete saw.

### How this affects you

Concreting works (on either side of Carrington Street) will be undertaken and pedestrian access along the route will be maintained, with pedestrian access to properties maintained at all times. During these works Carrington Street will be temporarily closed to general traffic, with access maintained to properties with traffic controllers.

There will be some noise associated with this work. Every effort will be made to minimise this impact including by turning off equipment and vehicles when not in use and directing noisy equipment away from residences where possible.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).
