

Road restoration - Underwood Road, Homebush

From Monday, 12 November 2018, work will commence to restore sections of Underwood Road, Homebush.

The work is expected to take two months to complete, weather permitting. You will be notified as work progresses.

A map showing the location of the work is provided overleaf.

What we're doing

This work will involve:

- Establishing a safe work area;
- Excavation including saw cutting;
- laying concrete pavement and asphalt;
- line marking.

Equipment used during the work will include: nail gun, grinder, hand held saw, road saw, concrete saw, jack hammer, trucks, light vehicles and trailers, hand tools, lighting towers, generator, excavator, concrete trucks, compactor, profiler, bobcat, sweeper, drum roller, asphalt paver.

How this affects you

Where possible works will be completed on day shift.

There are no vehicle or pedestrian detours as a result of this work. Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Please follow the signage and direction of traffic controllers. Residents will be contacted individually should there be any changes to vehicle access.

There will be some noise associated with this work. Every effort will be made to minimise this by using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
