

## Construction Work - Wattle Street Civil Site

Following recent traffic changes, from Thursday, 7 March 2019 work continues around the Wattle Street Civil Site, Haberfield in anticipation of project completion in 2019. A map showing the location of work is provided overleaf.

This work is expected to take up to two months to complete, with updates provided to residents monthly.

### What we're doing

This remaining work will involve:

- road and pavement work including the removal of temporary barriers, line marking and asphaltting, and the remediation of footpaths, kerb and driveways;
- signage installation;
- removal of some of the temporary barriers on Walker Avenue;
- noise wall work including painting.

Equipment used during the work will include excavators, vacuum trucks, concrete saws, cranes, trucks, compactors, road line markers, graders, asphalt laying plant, trucks, small tools, hand tools, and lighting equipment.

### How this affects you

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

There will be some noise associated with this work and every effort will be made to minimise this including turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

If you have an enquiry or complaint about this work, or if you would like to receive updates on out of hours work near your property, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au)
