

Parramatta Road Construction Update - Haberfield | Ashfield

From Wednesday, 8 May 2019 work continues around the Parramatta Road Civil Site in anticipation of project completion within the coming months. A map showing the location of work is provided overleaf.

Updates will be provided to residents monthly.

What we're doing

Remaining activities will involve:

- Road work including ensuring temporary traffic controls remain in place, and line marking
- Residual footpath restoration
- Maintaining landscaping, utilities and environmental controls.

Equipment used will include vacuum trucks, line marking equipment, drum rollers, trucks, concrete saws, hand tools and lighting equipment.

Out of hours work

As part of these ongoing activities, out of hours work is required at the Wattle Street Interchange. Work is required to be undertaken outside of standard construction hours due to road occupancy and safety requirements.

This work has been scheduled to take place between Wednesday, 8 May to Monday, 8 June 2019.

How this affects you

There will be some noise associated with this work and every effort will be made to minimise this including turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.
