

14 August 2017

Night work on Gardeners Road, Mascot

Night work will be undertaken on Gardeners Road, Alexandria to further establish the New M5 site in preparation for road construction. This work is being undertaken at night under traffic management for the safety of workers, motorists, pedestrians and cyclists. A map showing the location of the work is provided overleaf.

Work will be carried out intermittently from **Friday 18 August** between **9pm and 5am** and is expected to take **five nights** to complete, weather permitting. Work will begin outside Bunnings on Gardeners Road and change locations on subsequent nights.

The work will involve removing a flood light adjacent to the construction site at Bunnings, removing the remaining vegetation within the project footprint, and potholing for existing services to determine their location underground.

Equipment used during the work will include cranes, trucks, lighting towers, hand tools, vacuum trucks, road saws, chainsaws, traffic management and construction vehicles.

Minimising impact on residents

The work is expected to create moderate noise levels to nearby residents. Every effort will be made to minimise noise and light spill associated with this work by:

- Scheduling noisy work to take place early in the night where possible
- Turning off equipment and vehicles when not in use
- Using non-tonal reversing beepers on all machinery
- Directing noise generating equipment and lights away from residential properties where possible

Traffic changes

Minor traffic impacts will be in place during this work such as partial road closures and chicaning of traffic. Traffic control, signage, detours and reduced speed limits will be in place to assist local residents and road users to navigate through the changes.

More information

If you have any questions about this work, please call 1800 660 248 and ask to speak to a member of the New M5 Community Engagement Team or email info@newm5.com.au.

You can also visit the New M5 Community Information Centre located at 27 Burrows Road, St Peters. The centre is open on weekdays from 9am to 5pm.
