Upcoming road closure and traffic changes – Church Street and St Peters Street, St Peters

Work is underway to upgrade drainage utilities along Campbell Street. A road closure and traffic changes are necessary to facilitate this work across Church Street and St Peters Street.

Traffic impacts and work hours

- **Church Street** will be closed to pedestrians and motorists from **7am on Monday 25 September to 6pm on Friday 29 September**. Residents can access Church Street via Victoria Street. Traffic changes will be implemented at the Campbell Street intersection to help manage the closure of Church Street. We will work across Church Street **between 7am and 6pm Monday to Friday**.
- **St Peters Street** will be reduced to one vehicle lane and one pedestrian footpath from **7am on Wednesday 4 October to 1pm on Saturday 7 October**. Traffic control will be set up to allow Vehicle access in both directions. We will work across St Peters Street **between 7am and 6pm Wednesday to Friday**, and **between 8am and 1pm on Saturday**.

Traffic management

Traffic control and signage will be set-up daily before 8am each day to help local residents, road users, pedestrians and cyclists navigate the changed traffic conditions. Traffic changes on St Peters Street will be in place from 7am to 6pm Wednesday to Friday and from 8am to 1pm on Saturday. 24-hour access to local residents will be retained.

Work activities

This work involves relocating the drainage crossings on Church Street and St Peters Street, and will be carried out mostly in the existing site compound. A new water main will double drainage capacity along Campbell Street, and connect to a new detention basin to ease local flooding once commissioned.

We will use excavators, plate compactors, trench rollers, trucks, hand tools and construction vehicles to complete the work.
