

Upgrade of water main on Tallawalla Street Beverly Hills

We will be upgrading the water main across Tallawalla Street, Beverly Hills near the end of the Kindilan Underpass pathway from Thursday 12 April 2018.

This work will take two days to complete, weather permitting.

What we're doing

We will be upgrading the water main across Tallawalla Street, near the end of the Kindilan Underpass pathway, between Baranbali Street and Kooemaba Road.

We will need to close a small section of Tallawalla street while the work is happening. See map attached.

How this affects you

Local access to Tallawalla Street, between Baranbali Street and Kooemaba Road, will be maintained.

Traffic Controllers will be at the intersections of Baranbali Street and Tallawalla Street and Kooemaba Road and Tallawalla Street to assist with local vehicle access and assist pedestrians and cyclists through the changed conditions.

Some of this work will be noisy.

We will use equipment that will include light vehicles, saw cutter, excavator, removable barriers, tipper trucks, plate compactor and a vacuum truck.
