

Day/night work and road closure on Campbell Road, St Peters

Work will be undertaken from **Tuesday 5 June to Thursday 7 June** to install new utilities on Campbell Road. This work will involve a road closure on Campbell Street (east) and Campbell Road between Princes Highway and Euston Road.

What we're doing

Work will be undertaken to install new water pipes under the full width of Campbell Road near the intersection of Euston Road (see map overleaf).

Three day shifts and one night shift are required to complete this work:

- 7am Tuesday 5 June to 6pm Wednesday 6 June inclusive (one night shift on Tuesday 5 June)
- Thursday 7 June, 7am to 6pm

While construction work will take place during the hours listed above, traffic changes will remain in place from 7am Tuesday 5 June to 6pm Thursday 7 June.

Traffic changes

- Road closure on Campbell Street (east) and Campbell Road between Princes Highway and Euston Road (pedestrian access will be maintained).
- No access into Campbell Street (east) from Campbell Street (west) or Princes Highway. No access into Campbell Road from Euston Road.
- Crown Street will be changed to 2-way traffic controlled by traffic control - entry and exit via Barwon Park Road.
- Local access only for residents on Crown Street, Barwon Park Road, Campbell Street (east) and Campbell Road will be provided by traffic control personnel.

Traffic control will be in place 24 hours a day for the duration of the closure to assist motorists, cyclists and pedestrians through the temporary traffic changes.

BUILDING OUR FUTURE

Constructed by

How this affects you

Equipment used during this work will include excavators, road saw, construction trucks, light roller, hand tools, light vehicles and traffic control.

This work is expected to generate some noise however every effort will be made to minimise noise associated with this work by:

- scheduling noisy work to take place early in the night where possible
- turning off equipment and vehicles when not in use
- using non-tonal reversing beepers on all machinery during night work
- directing noise generating equipment and lights away from residential properties where possible.
