

## Permanent and temporary traffic changes on Barwon Park Road, Crown Street and Campbell Street, St Peters and Campbell Road, Alexandria from Friday 29 June

Permanent and temporary traffic changes will be put in place from Friday 29 June in a major step towards completing upgrade work along Campbell Street/Road.

Permanent traffic changes will include the creation of a signalised intersection at the Campbell Street/Road and Barwon Park Road intersection. Access from Barwon Park Road into Campbell Street/Road will not be permitted.

Temporary traffic changes will include a shift in the road alignment to the southern side of Campbell Road between Barwon Park Road and Harber Street and a temporary reversal of Crown Street to southbound traffic. Access from Campbell Road westbound into Barwon Park Road will temporarily remain in place until completion of the Campbell Street and Princes Highway intersection. This is currently scheduled for completion in early 2020.

Pedestrian traffic will be maintained through Campbell Street/Road during this work. Please see the map overleaf to better explain the traffic changes and how they will impact you.

### What we're doing?

Work has been ongoing to build a new section of road on the southern side of Campbell Road in preparation for traffic to be moved into this area to allow for construction of the road pavement on the northern side of the road. From 5am on Friday 29 June, we will open this southern section of road to vehicle traffic.

### Traffic changes from Friday 29 June

Permanent traffic changes:

- Access from Barwon Park Road into Campbell Street/Road will not be permitted.
- Access into Barwon Park Road will be from Campbell Street eastbound and via Princes Highway. This permanent traffic change was outlined in the New M5 Environmental Impact Statement (November 2015) and Urban Design and Landscape Plan.
- Campbell Road from Barwon Park Road to Burrows Road will become two-way, including the section of road between Euston Road and Burrows Road that is currently one-way traffic eastbound.

### When

New traffic configuration from 5am on Fri 29 June.

Please note: all work is weather permitting.

### Where

Barwon Park Road, Crown Street and Campbell Street/Road

Notification No. 436

Constructed by

Temporary traffic changes implemented during construction only, June 2018 to early 2020:

- During construction, access into Barwon Park Road will be permitted from Campbell Street and Campbell Road from the newly constructed signalised intersection at the junction of Campbell Street/Road and Barwon Park Road.
- Crown Street will be reversed to southbound traffic with parking on the western side in a southern direction. Two-way traffic will be implemented at times when work is taking place at the Campbell Street and Crown Street intersection - a notification will be provided ahead of this traffic change.
- Traffic will be moved into the southern section of Campbell Road between Barwon Park Road and Harber Street.
- The northern side of Campbell Road from Barwon Park Road to Harber Road, adjacent to Sydney Park, will become a construction work area.

### How this affects you

Night work and temporary night time traffic changes will be in place during night work shifts in the lead up to the implementation of the traffic changes outlined above. This preparation night work is currently scheduled for Tuesday 26 June, Wednesday 27 June and Thursday 28 June from 7pm to 5am each night.

The preparation night work will be notified for separately in notification no. 440 ahead of the night work taking place. Residents identified by noise assessment as being eligible for alternative accommodation during these night work shifts will be contacted directly by a member of the New M5 Community Relations Team.

## Permanent and temporary traffic changes to be implemented on Barwon Park Road, Crown Street, Campbell Street and Campbell Road from 5am Friday 29 June 2018
