

## Night work at M5 East ramps, Arncliffe

Night work is required during the M5 East shutdown period near the entry and exit ramps on Marsh Street Arncliffe.

### What we're doing

Investigation work is required to identify subsurface utilities in preparation for future work on the M5 East motorway adjacent to Marsh Street Arncliffe.

This work will take place over three nights during the M5 East shutdown period from Monday 25 June to Wednesday 27 June 2018 (weather permitting) and will involve the drilling of boreholes (narrow shafts drilled into the ground).

This work needs to be undertaken outside of standard construction hours for the safety of workers and motorists. A map showing the locations of this work is provided overleaf.

A drill rig machine, hand tools and lighting will be used to complete the works.
