

Night work and lane closure on Canal Road, St Peters

Ongoing service maintenance work is needed to repair the Telstra conduits on Canal Road between Burrows Road and Princes Highway. This will be undertaken at night to minimise impact on peak hour traffic. A lane closure will be required to facilitate the work (see map overleaf).

What we're doing

This work will involve cutting and excavation of the footpath to expose blockages in the Telstra conduits and the unblocking of the conduits, weather permitting. This work will occur on Monday 9 July 2018 from 8pm to 5am.

Traffic Changes

Canal Road between Princes Highway and Burrows Road. One westbound lane will be closed leaving one westbound lane open and both eastbound lanes open from 8pm to 5am.

How this affects you

There may be some impacts to residents during this work, including noisy machinery and lighting. We will make every effort to minimise these impacts. In addition every effort will be made to ensure that noisier work occurs earlier on in the night. Traffic control will be in place during the lane closures.

We apologise for any inconvenience this may cause.

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak to a member of the New M5 community engagement team or email info@newm5.com.au.
