## Traffic changes - Bedwin Road work

The intersection of Bedwin Road, Campbell Street, May Street and Unwins Bridge Road will be controlled by traffic control under a stop / slow traffic set up. Traffic will be maintained in all directions. Please expect delays and follow the directions of traffic control signage and personnel.

*Additional traffic changes 7pm Fri 3 August to 6pm Sat 4 August:* The left slip lane from Unwins Bridge Road to Bedwin Road will be closed. A left turn from Unwins Bridge Road into Bedwin Road will be permitted at the intersection under traffic control.

## 1 + 2) How work on Princes Highway and Bedwin Road affects you

Traffic control will be in place for the duration of the works to assist motorists, cyclists and pedestrians through the temporary traffic changes. For safety reasons, pedestrians may be directed to cross the road to the opposite footpath.

Equipment used during this work will include excavators, road saw, construction trucks, vacuum trucks, compaction, hand tools, light vehicles, lighting towers and traffic control. This work is expected to generate noise however every effort will be made to minimise noise associated with this work by turning off equipment and vehicles when not in use and directing noise generating equipment away from residential properties where possible.

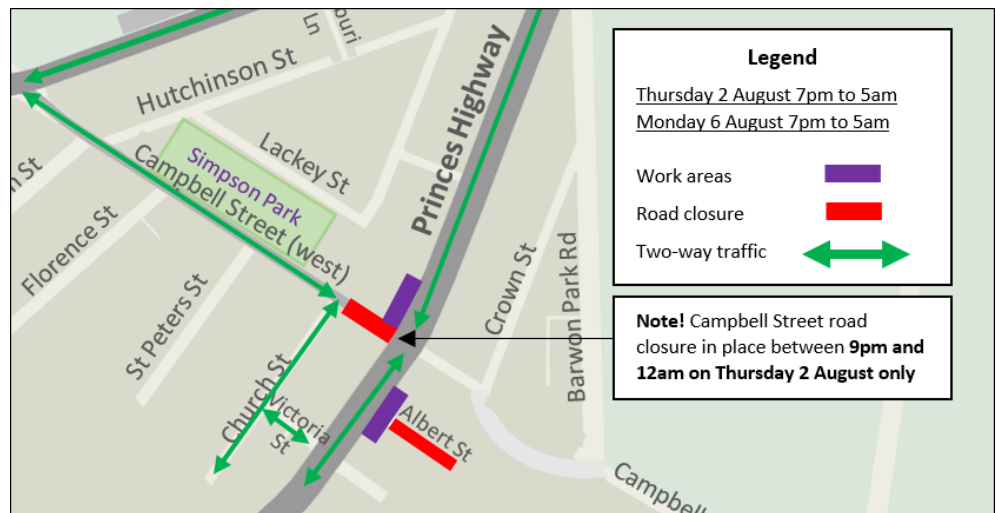

The site compounds on May Street and along the southern side of Campbell Street will be used intermittently throughout the work for storage of materials and vehicle parking.
