

## Day/night work and traffic changes on Campbell Road, Princes Highway, Campbell Street (east) and Albert Street

Day and night work will be undertaken to carry out utility work on Campbell Road and Princes Highway. This work will involve traffic changes on Campbell Road, Princes Highway, Campbell Street (east) and Albert Street.

### 1) Campbell Road day work

Day work will be carried out on **Monday 27 August from 7am to 6pm** to decommission and remove existing electricity overhead power lines along the southern verge of Campbell Road and along Harber Street, Euston Road and Burrows Road at the intersection of Campbell Road.

#### Traffic changes - Campbell Road day work

- Road closure on Campbell Street (east) and Campbell Road from Princes Highway to Burrows Road; no access into Campbell Street (east) from Campbell Street (west) and no access into Campbell Road from Burrows Road
- Two-way traffic permitted on Crown Street under traffic control
- Local access to Campbell Road properties from Euston Road only

### 2) Princes Highway night work

Night work will be carried out to dig a trench in the eastern footpath on Princes Highway south of Campbell Street to install power and communications conduits underground. The work must take place at night outside of peak volume traffic due to the safety and traffic approvals required.

- **Tuesday 28 August, Wednesday 29 August and Thursday 30 August, 7pm - 5am**
- **Monday 3 September 7pm - 5am**
- **Wednesday 5 September 7pm - 5am**

**In addition to the dates above, it is anticipated that a further five to six nights of work (approximately) is required to complete utility installation on Princes Highway south of Campbell Street.** You will be notified of the remaining night work dates once these have been confirmed. Utility service installation will then progress to Princes Highway north of Campbell Street where approximately ten nights of night work is required.

#### Where/When

- Two-way traffic permitted on Crown Street under traffic control
- Local access to Campbell Road properties from Euston Road only

## How night work on Princes Highway affects you

Equipment used during work on Princes Highway will include excavators, road saw, construction trucks, vacuum trucks, compaction equipment, hand tools, light vehicles, lighting towers and traffic control.

The work on Princes Highway is expected to generate noise. Every effort will be made to minimise noise associated with this work by turning off equipment and vehicles when not in use and directing noise generating equipment away from residential properties where possible. The site compounds on May Street and along the southern side of Campbell Street will be used intermittently throughout the work for storage of materials and vehicle parking.
