

## Concrete pour for Motorway Control Centre, Burrows Road, St Peters

Night work is required for a concrete pour at the Motorway Control Centre Building on Burrows Road, St Peters. Work is scheduled to commence on Thursday 11 October 2018 and Friday 12 October 2018 (weather permitting).

### What we're doing

Pouring of concrete slab for the Motorway Control Centre building. A map showing the location of the work area is provided overleaf.

This work will take place over two nights on Thursday 11 October to Friday 12 October 2018 between the hours of 6pm to 7am. This construction work is required to be undertaken outside of standard construction hours for the safety of workers, pedestrians and motorists.

Equipment used will include a concrete pump, concrete vibrator, generator, trucks, water pressure gurney, hand tools, light vehicles and lighting towers.

### How this affects you

There may be some impacts to residents during this work, including noise and light from machinery. We will make every effort to minimise these impacts, by turning off equipment and vehicles when not in use, using non-tonal beepers and facing lighting away from residential properties.

We apologise for any inconvenience this may cause.

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak to a member of the New M5 community engagement team or email [info@newm5.com.au](mailto:info@newm5.com.au).
