

Day work and road closure on Barwon Park Road St Peters on Monday 19 November

Day work will be undertaken within the traffic island on Barwon Park Road at the intersection of Princes Highway on Monday 19 November from 7am to 3pm. This work will involve a road closure on Barwon Park Road.

What we're doing

Day work will be carried out to remove three trees within the traffic island at the intersection of Barwon Park Road and Princes Highway to facilitate the installation of a Variable Message Sign (VMS). Please see map overleaf to better explain the location of this work.

This work is currently scheduled to be undertaken on Monday 19 November from 7am to 3pm (pending subcontractor availability). If the work cannot be undertaken on Monday 19 November, Tuesday 20 November from 7am to 3pm is scheduled as contingency. Residents will be updated about the confirmed date for this work via the Weekly Update sent via email each Friday. If you would like to subscribe to the Weekly Update, please email info@newm5.com.au.

Eventually, the VMS will support the efficient operation of the road network by providing real-time information about changes to road conditions due to accidents, bad weather, unplanned traffic incidents and other unforeseen traffic conditions, as well as planned events. This will enable road users to make information decisions about their journeys.
