

## Day/ night work and traffic changes on Princes Highway St Peters from Monday 26 November

Utility day and night work will be undertaken along Princes Highway between Monday 26 November and Thursday 13 December. This work will involve traffic changes, including a day-time road closure on the southbound slip lane from Princes Highway into Barwon Park Road.

### Day work - Princes Highway between May Street and Barwon Park Road

Day work will continue at the eastern footpath on Princes Highway between the May Street and the Barwon Park Road intersections to install new communications and ITS (intelligent transport system) conduits underneath the existing footpath.

- **Monday 26 November to Friday 30 November from 7am to 3pm**

*Day-time traffic changes from Mon 26 Nov to Fri 30 Nov from 7am to 3pm*

- Road closure on the southbound slip lane from Princes Highway into Barwon Park Road
- Access into Barwon Park Road via Campbell Street/Road intersection only
- Exit from Barwon Park Road via Crown Street southbound and via Princes Highway
- Southbound lane closure on one of three southbound lanes on Princes Highway between May Street and Barwon Park Road
- Pedestrian access between Princes Highway and Barwon Park Road maintained

If day work finishes ahead of schedule, access to Barwon Park Road from Prince Highway will be reinstated early.

### Night work - Princes Highway near the intersection of May Street

Night work will be undertaken to install new communications and ITS (intelligent transport system) conduits across the full width of Princes Highway near the intersection of May Street. Due to the necessary safety and traffic approvals required for multiple lane closures in this location, conduit installation across the full width of Princes Highway must take place at night outside of peak volume times.

- Tuesday 27 November from 7pm to 5am
- Thursday 29 November from 7pm to 5am
- Tuesday 4 December from 7pm to 5am

Notification No.559

Australian Government

**BUILDING OUR FUTURE**

Constructed by

- Thursday 6 December from 7pm to 5am
- Tuesday 11 December from 7pm to 5am
- Thursday 13 December from 7pm to 5am

*Night-time traffic changes on the above dates*

- Multiple lane closures will be in place on Princes Highway between May Street and Barwon Park Road; two-way traffic on Princes Highway will be maintained at all times
- Vehicle access between Barwon Park Road and Princes Highway will be maintained
- The left turning lane on May Street will be closed near the intersection of Princes Highway; left and right turn maintained from May Street on to Princes Highway at all times
- Pedestrians will be assisted around the work area by traffic control

**How this affects you**

Equipment used during this work will include an excavator, vacuums trucks, road saw, rock breaker, hand tools, construction trucks, light vehicles, compaction equipment, lighting towers and traffic control.

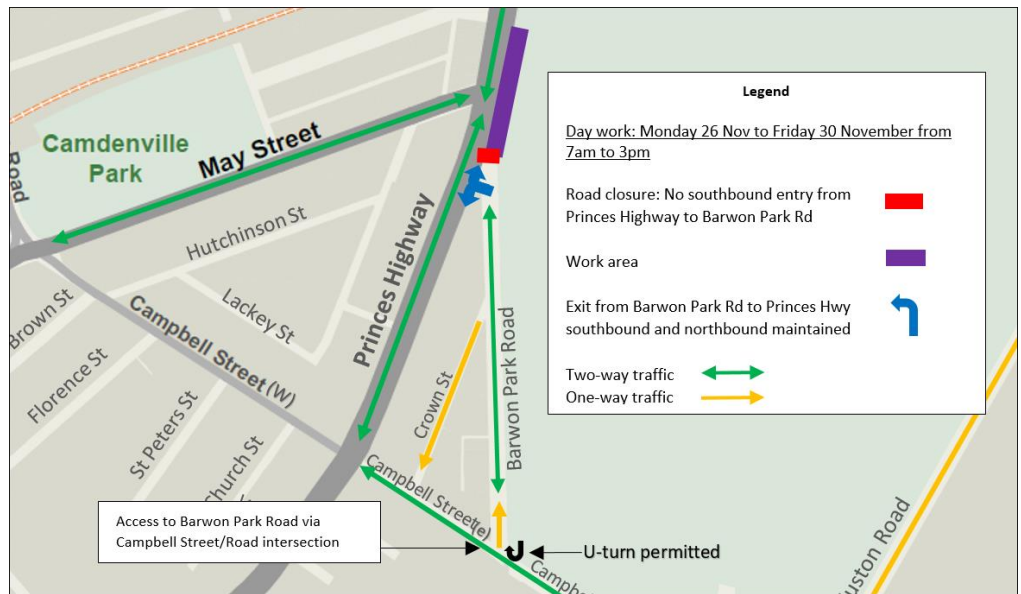

This work is expected to generate high noise. Every effort will be made to minimise noise and light spill associated by this work by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residents properties where possible.

The site compounds on May Street and along the southern side of Campbell Street will be used intermittently throughout the work for storage of materials and vehicle parking.
