

Day work and road closure on Crown Street, and night work on Campbell Street (west) St Peters

From 7am Thursday 13 December to 6pm Friday 14 December, a road closure will be in place on Crown Street at the intersection of Campbell Street. On Thursday 13 December, night work will be carried out on Campbell Street (west).

1) Road closure on Crown Street at the intersection of Campbell Street

A road closure is required on Crown Street at the intersection of Campbell Street to facilitate the installation of power and communications conduits underground. The planned work schedule is:

- **Thursday 13 December from 7am to 6pm**
- **Friday 14 December from 7am to 6pm**

While construction work will be carried out during day-time hours only, **the road closure and associated traffic control will remain in place around the open trenches in the road surface overnight from 7am Thursday 13 December to 6pm Friday 14 December.**

Traffic changes from 7am Thursday 13 December to 6pm Friday 14 December (inclusive)

- Road closure on Crown Street at the intersection of Campbell Street. No vehicle through traffic
- Two-way traffic permitted on Crown Street under the direction of traffic control
- Parking restrictions may be in place on Crown Street prior to and for the duration of the work to facilitate turning
- Pedestrian access between Crown Street and Campbell Street maintained

2) Night work on Campbell Street (west) between the May Street intersection and Princes Highway

One night work shift is required to complete remaining sign installation and line-marking work along the new road on the southern side of Campbell Street between the May Street intersection and Princes Highway. This night work will also involve moving concrete barriers at the intersection of Brown Street and Campbell Street.

- **Thursday 13 December from 7pm to 5am**

BUILDING OUR FUTURE

Constructed by

Traffic changes on Thursday 13 December from 7pm to 5am

A stop/slow traffic set up will be in place on Campbell Street (west) between the intersection of May Street and Princes Highway under the direction of traffic control. Two-way traffic on Campbell Street will be maintained at all times, however please expect delays and follow the direction of traffic control.

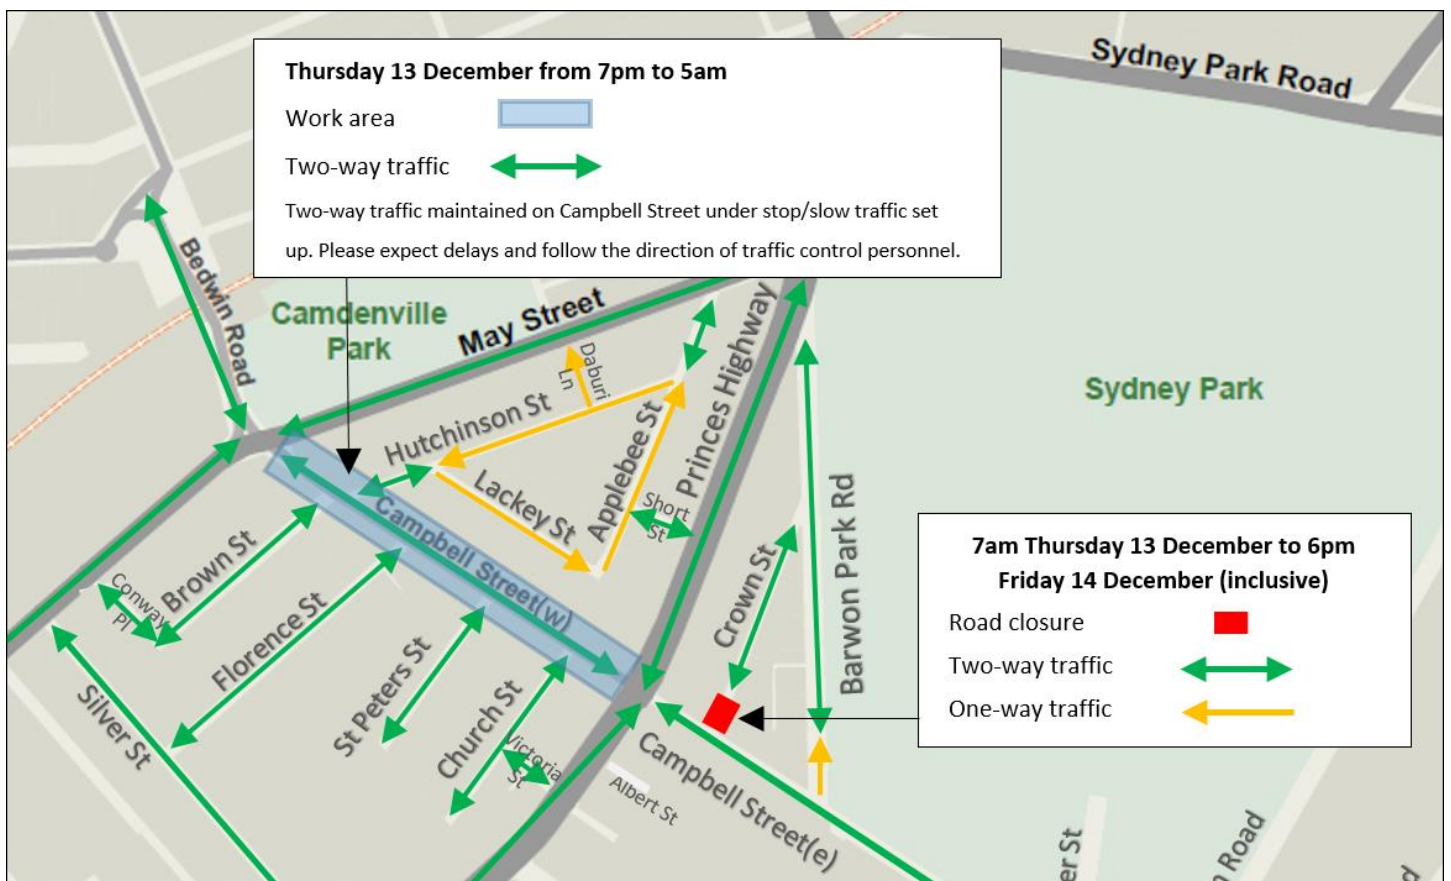

For the safety of motorists and pedestrians, this work involving the movement of large plant and machinery in various locations along Campbell Street will be carried out at night when traffic volumes are lower.

How this affects you

Equipment used during night work on Campbell Street (west) on Thursday 13 December from 7pm to 5am will include line marking equipment, excavators, elevated work platforms, construction trucks, hand tools, light vehicles and traffic control.

This work is expected to generate high noise. Every effort will be made to minimise noise and light spill associated with this work by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residential properties where possible.

Road closure on Crown Street from 7am Thursday 13 December to 6pm Friday 14 December and night work on Campbell Street (west) on Thursday 13 December from 7pm to 5am

Please note: Conduit installation will be undertaken in the left slip lane from Unwins Bridge Road to Bedwin Road on Thursday 13 December from 7pm to 5am. Please see Notification No 570 available on <https://www.westconnex.com.au/local-updates> for further details about this work.
