

Ongoing night work and traffic changes on Gardeners Road, Kent Road and Bourke Road/Street, Mascot

Night work will continue on Gardeners Road, Kent Road and Bourke Road/Street in January 2019 to install, relocate and upgrade power, communications and gas services. Night work for utility service investigation will also take place on Gardeners Road from Bourke Street to O'Riordan Street and on Bourke Road north of the Gardeners Road intersection.

What we're doing

From **Monday 7 January to Friday 25 January** from **9pm to 5am** nightwork will take place to install underground power and communications conduits to facilitate the future removal of overhead power lines along Gardeners Road and Bourke Road within the Project boundary. Service investigation work and installation of new street light footings and gas mains will also take place. A map showing the locations of the updated work is provided overleaf.

Equipment used during the work will include lighting towers, hand tools, vacuum trucks, excavators, plate compactor, potholing truck, road saws, bucket trucks, generators, and traffic management and construction vehicles.

This work must take place at night, outside of standard construction hours, due to the road closures and traffic approvals required to complete the work. Traffic control, signage, detours and reduced speed limits will be in place to assist local residents and road users to navigate through the changes.

How this night work affects you

Motorists travelling westbound on Gardeners Road from the O'Riordan Street intersection to Church Avenue during scheduled night work road closures will follow the below detour route:

- Left turn onto O'Riordan Street southbound
- Right turn onto Coward Street westbound
- Right turn onto Kent Road northbound
- Right turn onto Church Avenue from a dedicated right turn lane which will be in place during the Kent Road to O'Riordan Street road closures

Motorists must wait until oncoming traffic has come to a complete stop at the Kent Road/Ricketty Street intersection before turning right into Church Avenue. A map showing the detour route is provided overleaf.

When

Monday 7 January to Friday 25 January

Hours of operation

9pm to 5am

BUILDING OUR FUTURE

Constructed by

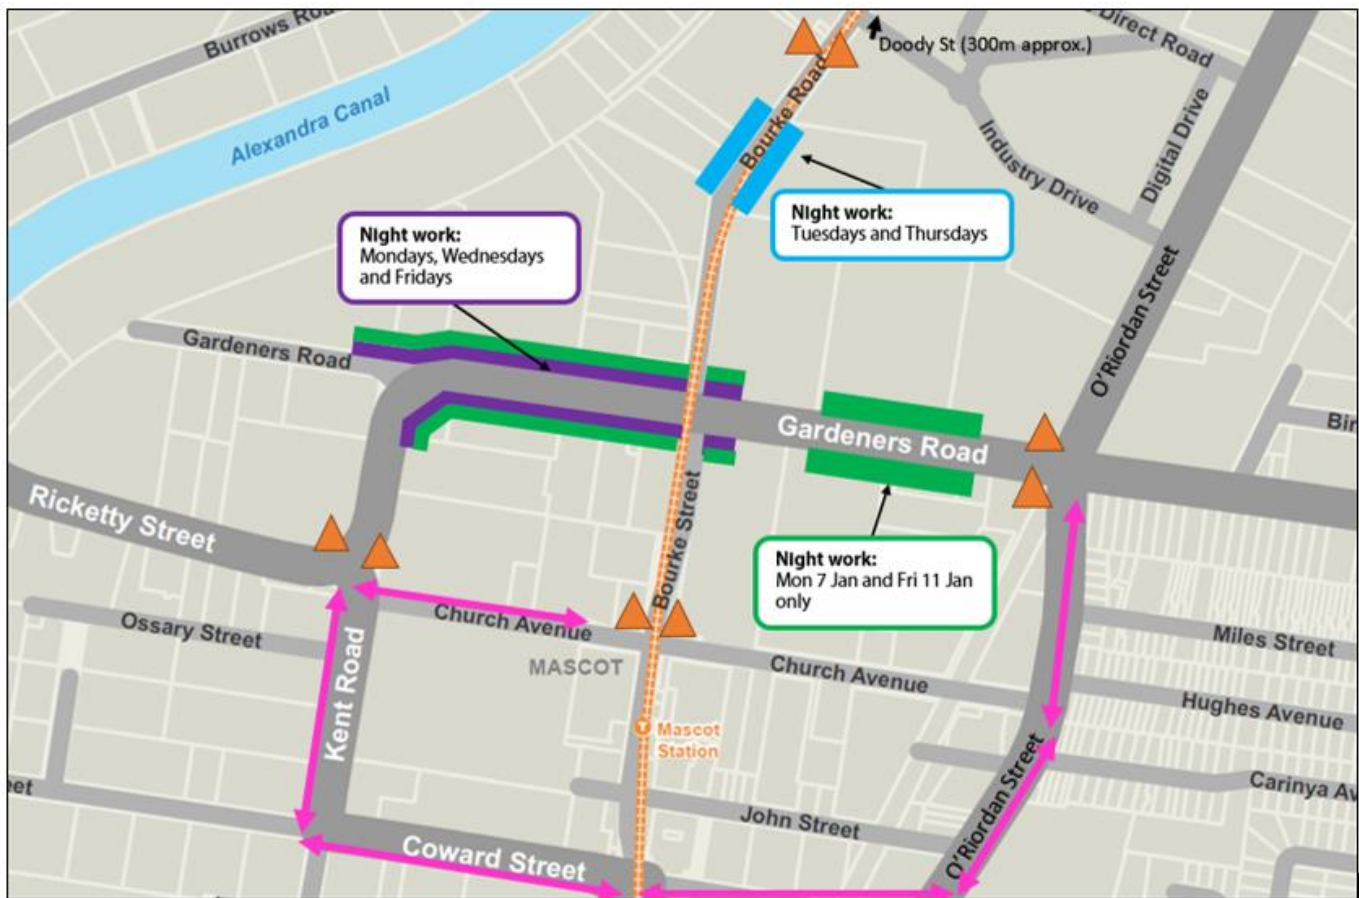

A full road closure on Gardeners Road, Kent Road and Bourke Road/Street will be in place for the duration of night shifts on Mondays, Wednesdays and Fridays. A road closure will be in place on Bourke Road from Gardeners Road to Doody Street from Monday to Friday.

Access to driveways located on Gardeners Road and Bourke Road will be maintained for residents and businesses at all times. Residents and businesses will be required to provide their address to traffic control to be permitted through the road closure to their property. For further details on this detour, please email info@newm5.com.au.

Minimising impact on residents

Every effort will be made to minimise noise and light spill associated with this work by scheduling noisy work to take place early in the night where possible, turning off equipment and vehicles when not in use and using non-tonal reversing beepers used on all machinery. Traffic control on Gardeners Road will be setup away from residential properties where possible to minimise light and noise disruption.

Night work from Monday 7 January to Friday 25 January, 9pm to 5am
