

Night work and traffic changes on Unwins Bridge Road St Peters

Utility night work will be undertaken in the western footpath on Unwins Bridge Road near the Bedwin Road intersection on Wednesday 6 February and Thursday 7 February from 6pm to 12am. A stop/slow traffic set up will be in place at the intersection of Unwins Bridge Road, Bedwin Road, May Street and Campbell Street during this work.

What we're doing

Night work will take place to commission a new Ausgrid power connection in the western footpath on Unwins Bridge Road near the Bedwin Road intersection. The work schedule is:

- **Wednesday 6 February from 6pm to 12am**
- **Thursday 7 February from 6pm to 12am**

Due to the necessary safety and traffic approvals required for lane closures on Unwins Bridge Road, Bedwin Road, May Street and Campbell Street this work must take place at night outside of peak volume times.

Traffic changes

A stop/slow traffic set up will be in place at the intersection of Bedwin Road, Campbell Street, May Street and Unwins Bridge Road under the direction of traffic control. Please expect delays and follow the direction of traffic control personnel.

Pedestrian access on Unwins Bridge Road will be maintained under the direction of traffic control. For safety reasons, pedestrians may be directed to cross the road to the opposite footpath.

How this affects you

Equipment used during this work will include excavators, vacuum trucks, construction trucks, hand tools, light vehicles, compaction equipment and traffic control.

This work is expected to generate some noise. Every effort will be made to minimise noise and light spill associated with this work by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residential properties where possible.
